RECONFIRMATION AND CHECK-IN TIMES:

In New Zealand check-in time is normally 2 hours prior to departure for international flights & 30 minutes for domestic flights. Additional check-in times may be given in this itinerary as a guide and these should be verified with the airline concerned when you reconfirm your flights. As all airlines have different reconfirmation rulings you must reconfirm your onward flights at least 72 hours prior to departure to avoid possible cancellation. Wherever possible, advise the airline of a local contact phone number.

AIRLINE SEATING:

All airlines allow seat requests but do not guarantee seat numbers until check-in. Any seat numbers shown on this itinerary are therefore subject to confirmation at time of check-in.

DATES AND TIMES:

All dates and times shown in this itinerary are local to the cities concerned and current as at the date of this itinerary.

FLIGHT DEPARTURE TIMES:

Occasionally departure times may change and it is important that you check all your flights (including ex New Zealand) at least 24 hours prior to departure, to ensure hassle free travel.

DEPARTURE TAXES:

Any prepaid taxes are now included and shown in the price of your airline ticket, however some countries require you to pay upon departure. Please ensure that you have local currency in reserve.

FREQUENT FLYER:

If you are a member of a Frequent Flyer Programme it is imperative that you advise your membership number to the airline upon check-in and retain all boarding passes and tickets to check your points against your next statement.

PLEASE NOTE:

All information is accurate at the time of printing. It is important that you are familiar with all "Terms and Conditions" of your travel. Please ask us if you have any questions concerning this.
